CELEBRITY CELEBRATIONS AT SANDHURST FC

Sandhurst FC certainly knew how to make their 30th anniversary celebrations go with a swing – they invited Spandau Ballet front man Tony Hadley to perform at Sandhurst Community Centre, allowing ladies and gents of a certain age to relive their headband and white frilly shirt years (or was that just us?).

Tony performed all the old Spandau hits before a sell-out crowd on September 18th, and also attended a football match the following day

which saw players from the Boys and Girls Football club tackle a team of ex-Arsenal Gunners and celebrities. The game was the key attraction in a day of footballing fun which also saw Sandhurst's under-10s pitched against teams from Bracknell Cavaliers and Bracknell Town.

Funds raised will benefit the Sandhurst Town Boys and Girls Football Club, with a proportion also donated to the Arsenal Charitable Trust. Football, fame, fun and fundraising, a perfect match all round.
